A Note from the Director

The Enfield Senior Center achieved National Senior Center Accreditation in 2012. We are one of six senior centers in the State of Connecticut to be re-accredited after a rigorous evaluation process. This was a major achievement and only accomplished with the help of staff, volunteers and our community partners.

The Enfield Senior Center faced lost revenue and the loss of purchased food during the Storm Alfred power outage. In addition to budget cuts, the financial outlook was very challenging. The good news, however, is that the Enfield Senior Center fees and fundraising efforts earned 46% of the Senior Center budget.

Revenue from fitness classes was 39% over the previous year's revenue because of the increased demand and new class offerings. Revenue from special events increased by 17%. There were also increases in revenue from craft sales, computer classes, and Bingo evening meals. Revenue remained high for trips. Attendance increased in the 2011-12 Fiscal Year and our three-year strategic plan was completed. A high level of satisfaction with the programs, staff and facility were reported in focus groups and surveys. The Friends of the Enfield Senior Center Annual Appeal continued to show the generosity of participants and the community.

We move into the next fiscal year with a strategic plan in place, strong policies and procedures validated by the accreditation process, and the continued support of the community. New opportunities, including a walking trail on the Senior Center grounds, are ahead. So much has been accomplished in the past year. It's exciting to imagine where we are going!
